The talk is followed by a walk along the Heritage Mile and a visit to Ministry of New showcasing how historic buildings and neighbourhoods in the city breathe with a new lease of life and attitude.
Talk: 12:00 noon
Walk: 1:30 pm

With changing times, cities cannot be sustainable without inclusion and equity cannot be sustainable without livability and cannot be sustainable without economic development. This talk touches upon the perspectives of the environmental benefit/impact, civic conservation, urban development and heritage conservation being a sustainable model to influence the reshaping of the city's landscape of iconic historic areas like Horniman Circle, Fort and Kala Ghoda.

Conducted by: Natascha Chaddha, Kruti Garg

Aayushi Jagad	Comic or at least trying to be one. And also writes jokes. And not be horrible on TLC's Queens of Comedy.
Shreeja C	Shreeja is an upcoming Stand Up Comic.
Agrima Joshua	Agrima is an upcoming Stand Up Comic.
Anu Menon	The Verdict. This helped her bag the role of Lola Kutty on Channel V, which consequently made her extremely popular among the masses. Anu appears at many of her public outings dressed as Lola Kutty.

8TH FEB THURSDAY

Navin Noronha	Navin Noronha is an amply likable guy who tries very hard to be a badass. To live by his motto of 'Live Fast, Die Poor', Navin has taken up writing as a profession. He also does stand-up because it fits so well into the underpaid artist routine.
Masoom Rajwani	Masoom Rajwani is one of the youngest and most promising stand-up acts on the scene and one of the few Sindhis who refuses to do Sindhi joke.
Himanshu Sharma	Himanshu is an upcoming Stand Up Comic.
Siddharth Gopinath	A very, very tall person from Chennai

STAND UP COMEDY

HA HA HARA

Modh Suhel

Suhel is an upcoming Stand Up Comic.

Parijat Sarkar

Parijat is an upcoming Stand Up Comic.

Anirban DasGupta

Anirban Dasgupta is a comedian, writer and full-time married person from Kolkata. Unsubstantiated reports claim that he is the hardest working Bengali in the world (other contenders were too lazy to contest).

Rueben Kaduskar

Rueben is a Maharashtrian with a Jewish name who drives a Tata Nano. A former mixologist, he's pretty sober for a comedian. His alter ego, Raju the Waiter, has enthralled people and waiters all over the world.

Saurav Mehta

Saurav Mehta, is a popular Stand-Up Comedian and has performed at many events like My Baby Thinks I'm Funny with Sorabh Pant.

Leroy Mathew

Leroy is an upcoming Stand Up Comic.

Sumit Anand

Sumit flew (from another city) into the comedy scene 4 years ago, and has looked back many times since. Every time he thinks of quitting comedy to fail as a musician, somebody books him a comedy show instead.

What does it take to transform the ‘city of dreams’ into a ‘dream city’?

It takes a developer with a towering vision to build a better life across habitats. And transform the way we live with landmarks at par with the best in the world. Is it any wonder we’re India’s No.1* real estate developer?

The Elemental Earth

ELEMENTS OF NATURE

An experiential installation with the primary source being light. As light falls on different gradients of colours weaved around the frames that are in the form of a horseshoe, every user will experience a different sense of space during different times of the day.

A progression of the human form in direct relation to the 5 elements of nature and their equal balance.

The pentagons symbolize the 5 forces of nature and its uniform yet exponential nature, the colors on the base help illustrate this distribution and its concurrent dynamics personify the metaphorical churning!

A contemporary take on an old form, using recycled material.

5 different panels form the horse to engage with the viewer's reflection, observation, experience and reasoning.

108 illustrations of the sun in Madhubani on fabrics stretched over embroidery frames, hung from a tree.

Potraying various abstract elements defining the simple yet complex Mother Earth.

Curated and conceptualised by Shayonti Salvi Executed by Mumbai Potters and Archita Shah	Skywards	Houses scrambling on top of one another, slums making their way to the skies, buildings edging with each other for space... this is the image of the Bombay we live in now... this sculpture is a comment on how concrete overpowers greenery.
Lakshmi Madhavan	I Need Some Air	The work is a narrative on the current state of Mumbai as concrete proliferates, green patches disappear & air quality rapidly deteriorates.
Nilesh Vede and Nandu Sharma	Lust of Heaven	Contrast of thought process, belief systems, taboos, to explore the real-time experience of fear and death.
Neelima Gupta	Hazaaron Khwaishein Aisi	The crane representing good health, longevity, truth and fidelity.
Vinita Mistry	Birth of Life	The five elements exist to a degree within all seven chakras. When the five elements of life and chakras combine they give birth to life.
Kunal Bedi	Custom Painted	1968 Mercedes Benz W115, fully restored and artistically painted.
Swapnil Zagade & Pooja Kotian Roopvalay Studio	Transparency	Truth never damages a cause that is just...
Amrish Patange	It's Time To Take a Step	It's time to take a step forward to make Mumbai green.
Sara Guberti by Instituto Italiano Di Cultura, Mumbai	The Queen Bees	We live thanks to you.
Government of Maharashtra	Maharashtra Heritage	A showcase of eco tourism in Maharashtra.
CSMVS artists (Siddharth Waingankar, Pratik Aroskar, Kishor Gaonkar, Rahul Kokate)	Tree60 Degrees	How over-utilisation of natural resources has become a global phenomenon, wreaking havoc on nature and its consequences on our future generations.
Alliance Française de Bombay	Head in the Hole	A framed work of art with the face cut out offering passersby the opportunity to be photographed.
